Universitas Airlangga

Fundamental and Management Nursing Journal telah diindeksasi oleh Garuda, Google Scholar, WorldCat, BASE, and PKP Index

Fundamental and Management Nursing Journal was formed as a scientific publication media that encourages the development of sustainable nursing / health science and technology, especially in the fields of basic nursing, nursing / health management, and nursing / health education. This journal is a media writer for students, lecturers and researchers to be able to publish scientific papers and the latest research results to support advances in the field of basic nursing and nursing management.

FMNJ was first published in 2012 with the number p-ISSN 2355-2662 and experienced a vacuum until the end of 2018. FMNJ was active again in 2019 based on the Open Journal System (OJS), twice published a year (April and October) under the Department of Basic , Critical and Medical Surgery, Faculty of Nursing, Universitas Airlangga.
