Fundamental and Management Nursing Journal

The Fundamental and Management Nursing Journal (FMNJ) was formed as a scientific publication media that encourages the development of sustainable nursing / health science and technology especially in the fields of basic nursing, nursing / health management, and nursing / health education. FMNJ was established at the end of 2012 and has been vacated until the end of 2018. FMNJ has returned to 2019 on the basis of the Open Journal System (OJS), twice a year (April and October) under the Department of Fundamental, Critical and Medical Surgery, Faculty of Nursing, Universitas Airlangga. This journal (p-ISSN:2355-2662; e-ISSN:2656-4610) is licensed under a Creative Commons Attribution 4.0 International License.
