**Jurnal Administrasi Kesehatan Indonesia (JAKI)** is published by Universitas Airlangga, Faculty of Public Health, Department of Health Administration and Policy collaborated with Indonesian Public Health Union (*Persakmi*). We welcome all of experts, practitioners, and academicians who are interested in healthcare administration to submit their articles. Articles in this journal discuss various current issues in healthcare administration. The publication is issued twice a year (June and December). JAKI has been indexed by DOAJ, Google Scholar, SINTA 2, Garuda, BASE, EBSCO, Hinari, and *Indonesian Publication Index (IPI)*.
