4. ROUTE OF JOB DESCRIPTION OF PUBLICATION PROCEDURE IN JIPK

1. ROUTE 1

- Checking if there is any manuscript submission in the website.
- If there is available, download the original file and supplement files (usually consists of cover page & declaration page).
- Original file is forwarded to the admin secretary for Turnitin aplication (check plagiarism). If author does not include the supplement files, it must be requested to the author via email (request email is sent along with pre-review in route 2. Note: author declaration is not compulsory). Meanwhile, if author already includes the supplement files, forward files the files to admin journal for archive.

2. ROUTE 2

- Checking the quality content of the manuscript (based on manuscript template of JIPK guide for author)
- Checking the plagiarism percentage of the manuscript by the admin secretary and SECTION EDITOR appointment
- Assigning a checklist for pre-review whether the manuscript is compatible with manuscript
- template of JIPK guide for author
- Send back the pre-review to the author for revision along with cover page request (if there is not any), tables, and figures in jpg/jpeg format with HD quality for layout need. Deadline for pre-review revision is 3-4 days based on whether it is minor or major revision. Note: if it is already due date, remind the author every day
- If the author already sends the revision, editor team gets to decide whether to accept, reject or revised the manuscript again before forwarding to the reviewers

3. ROUTE 3

• SECTION EDITOR looks for the reviewers. SECTION EDITOR usually already has their own reviewer, but if SECTION EDITOR is having a hard time to choose the reviewers, it can be helped by looking at the reviewer recommendations whom the author gives in cover page form

- Reviewers consist of 2 people in minimum, one of which is Asia and the other one is foreigner or all reviewers are foreigner
- Review process is conducted in 10 days maximum. Reminder is done in D-3 and D-day
- Monitoring the email flow between SECTION EDITOR and reviewers to help reminding the reviewers if SECTION EDITOR forgets or has another business
- After the review process is done, SECTION EDITOR sends the manuscript back to the author
- for revision (make sure to wait until 2 reviewers are done reviewing). The deadline for author to revise the manuscript is 10 days
- Make sure the reviewers already complete the form review from SECTION EDITOR since this form will be used to submit the data in website and to list the reviewers for archive
- After the manuscript is revised by author, SECTION EDITOR sends it back to the reviewers to check if it is really revised accordingly

4. ROUTE 4

- SECTION EDITOR forwards the manuscript to the editor to decide through internal meeting by editorial team of JIPK and based on the consideration from reviewers whether it is worth to be published, it needs revision again or it is fully rejected
- If the manuscript needs to be revised again, the due date is 5 days maximum

5. ROUTE 5

- The accepted manuscript is final edited by the copyeditor
- The manuscript is proofread by professional proofreader(s) then sent back to the author for revision
- After that, the manuscript is through layout process based on JIPK's publication standard, galley changes to PDF file, and make link the references in content PDF

6. ROUTE 6

• Final checking is done by author and JIPK crew to double check the manuscript before it is published

7. ROUTE 7

If the manuscript does not need a revision, it will be grouped into 3 types of publication, namely
Issue in Press (All Accepted manuscripts/articles are pre-published temporarily in "Article in Press
of JIPK journal" and are not assigned to volume/issue number yet. That is mean all articles in this
pre-issue are in waiting for formal publishing in a next issue. Please be noted that DOI number in
this In Press issue is not registered yet.), Issue in Progress (This issue is still in progress for
publishing, and not published officially yet. Therefore, the number of articles will be completed),
and Issue in Publish (the manuscript published is in accordance with the volume and issue).
