Journal of Vocational Nursing (JoViN) provides a forum for original research and publishes scientific articles such as Case Studies, Literature Studies, and Research Reports related to nursing and other health professions. We welcome all of experts, practitioners, and academicians to submit their articles. The JoViN submission process of the manuscript is published twice a year (May and October) under the auspices of DIII Nursing Study Program, Departement of Health, Faculty of Vocational Studies, Universitas Airlangga. All submitted manuscripts will go through the blind peer review and editorial review before being granted acceptance for publication. Submissions must be original work and have never been previously published. This should be proved by sending the author declarations and copyright transfer agreement through email.
